In Proceedings No. 7395-96/849 dated 28th December 1897, Government sanctioned the Establishment of District Police Schools at the Headquarters of the Districts of Bangalore, Mysore, Hassan, Shimoga, Kadur and Chitaldrug at a cost of Rs 611 per mensem. The object of these Schools is to train the Constables and Duffedars in drill and to ~~in elementary~~ teach elementary principles of Criminal law and Procedure & the practical duties of a Police Constable

teaching of Daffedars in the newly opened Training School at Bangalore City and as moreover it has been provided in the draft rules framed by the Inspector General for the recruitment and promotion of Subordinate officers of the Police Department that no man who has not passed the Station House officers Test from the Police Training School will be eligible for promotion to the grades of Jemadars, Head Constables and 1st class and 2nd class Duffedars, the District Schools can now only train such of the Constables as are not fit to receive instruction in the Bangalore Training School The Inspector General states that for the training of such men, a highly paid Inspector is not necessary and that the Instructional staff may be very easily fot up by deputing an intelligent 1st class Duffe-dar on Rs 16 from the present strength in each district without incurring any additional expenditure. He therefore proposes to abolish the 4 fourth grade Inspectors sanctioned for th

schools as well as 2 fourth grade inspectors on the general list and from the savings thus effected, viz Rs 330 and with an additional expenditure of Rs 340, to appoint 8 Prosecuting Inspectors one for each District as noted in the margin. The new scheme, if sanctioned will not be introduced all at once but as vacancies occur in the existing staffs and the proposed appointments will be confined only to Law graduates and deserving men in the service who have shown a special aptitude for prosecuting cases.

2. He adds that the absence of a separate and independent agency for the prosecution of cases has affected the successful termination of many a good case, that the Head Quarter Inspectors on account of the multifarious duties devolving on them cannot be expected to look after all prosecution work in their respective districts, especially after the Constitution of Divisions in different parts of each District and that the local officers being generally investigating officers, cannot do the prosecution work. Most of the Dt Officers who have been

consulted are reported to have fallen in with the Inspector General's views.

3. Subd for orders. The Inspector General does not state what he will do with 2 third grade Inspectors on Rs 50+15 sanctioned for the District Schools. They ~~will~~ perhaps will be absorbed in the general ~~list~~ Establishment, to fill the place of the 2 fourth grade Inspectors of the General Circle to be abolished.

7. Mr Carr in his revised scheme effects further reduction in the proposed cost by ~~xxx~~ reclassifying the grades of Prosecuting Inspectors and by doing away with their horse-allowances as there is no need for them to keep horses. The ~~extra~~ cost according to the revised proposal amounts to Rs 5-30, as ~~compared~~ against Rs 670 proposed by Rao Bahadur Mr C. 31 " From the opinions, para (c), of the Dewan and Councillors on Resolution (herewith returned) No II of the Council Proceedings I find that the additional cost of the provision of Police Inspectors is Rs 1950/- per annum or Rs 2,340/- per annum. The savings which accrue under Executive Rural Police Force annually, is not less than Rs 50,000/ which will be sufficient to meet the extra cost.

I may here bring to the notice of the Dewan that, owing to the frequent transfers of the Police Inspectors and to individual enquiries of Government without any proposition statement, the sanctioned scale of Inspectors is not reliable. I therefore beg to suggest that, when communicating sanction of this extra provision of Inspectors, a detailed proposition statement for the Province may be obtained and attached to the order.

The want of Prosecuting Police Inspectors has been urged both by the Judicial and the Cadre - For want of prosecution good cases break down - To supply the want it is proposed to have eight Prosecuting Inspectors - and the Council resolution explains all the particulars - Some recurring reductions have been effected to meet a part of this expenditure and the remainder is expected to be met out of savings which are reported by the Comptroller to amount to about fifty thousand Rs a year under the Head Rural Police - The proposal has been carefully considered by the Council and may be sanctioned.

Enc. one

From Rao Bahadur, C.Madiah, Esquire,
THE INSPECTOR GENERAL OF POLICE IN MYSORE.

To L.Anantasami Rao, Esquire B.A.,
Offg: THE SECRETARY TO THE GOVERNMENT OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to Government order No: 7395-6 / J. 849 dated the 28th December 1897 sanctioning the establishment of the Police Schools in the Districts of Bangalore, Mysore, Hassan, Kadur, Shimoga, and Chitaldurg, for the training of Constables in addition to the Head Quarter Police School at Bangalore for the training of candidates for the grades of Inspectors and Jamedars, and subsequent correspondence ending with my predecessor's letter No: 73 dated 20th October 1901, submitting for the approval of Government a proposal for the abolition of the District Police Schools and the establishment of a central institution at Bangalore, I have the honor to state that in para 3 of the rules about the management of the Police Training School approved by Government in their

order No:

order No: 364-5 / J.F.530/03 dated 11th August 1903, it has been provided that there shall be two classes, one for the training of candidates for the posts of Inspectors and the other for those of the Station House officers which expression includes Daffedars or Sergeants in addition to Jamedars or Head Constables. Moreover in the draft rules about appointments and promotions submitted for the approval of Government in this Office letter No: 3017/178 dated 24th November 1903 it has been explicitly stated that no one who has not passed the Station House Officers Test from the Police Training School shall be eligible for promotion to the grades of Jamedars or Head Constables as well as 1st and 2nd grade Daffedars or Sergeants. Hence it follows as a matter of course that the District Police Schools can only train such of the Constables who cannot be trained in the Bangalore Training School either in English or Kanarese and who, as such, are only fit to receive a series of oral lessons on the elementary --- principles of Law and Procedure, the practical duties of a Police Constable &c and pass a viva voce examination corresponding to the Constables Test of the Madras Police. The training of this class of men can therefore be very safely left in the hands of a smart and intelligent Daffedar under the immediate supervision of the Head Quarter Inspector. The tutorial staff may be very easily got up by deputing a 1st class Daffedar on Rs.: 16/- from the present strength from each District without incurring any additional expenditure.

For the management of the 6 District Police Schools,

2 Inspectors

who may not have taken up the investigation of the case, those going up before the higher Magistrates being left to the Head Quarter -- Inspector who on account of the multifarious duties devolving upon him cannot be expected to do justice to the prosecution work. They are on this account unable to carefully study the cases and cope with the professional lawyers who invariably represent the defence. Further owing to the constitution of separate divisions in different parts of the Districts, it has become physically impossible for a single Head Quarter Inspector to attend the cases that may be taken up by the Divisional Magistrates. Nor can the local Police Officers undertake the prosecution work as they generally investigate cases and sometimes cannot be safely entrusted with this work owing to their incapacity.

The organisation of a separate agency for the prosecution of cases will admit of the services of the Head Quarter Inspector being utilized for supervizing the work of the District Police Office and also for helping the Superintendent or Assistant Superintendent of Police in the detection and investigation of important cases and inspection of stations. The District Police Officers are undermanned and are also left without constant supervision and ---- should my proposal meet with Government approval the Head Quarter Inspectors will be able to devote a portion of their time in this direction. The re-organization of the District and Inspector General's Office establishments is engaging my attention and when

the

the scheme is mature, proposals will be submitted to Government.

Under these circumstances I request you will be good enough to move the Government to accord sanction to my proposal for the abolition of the six Inspectors on Rs: 40 plus 15 and the entertainment of 8 Prosecuting Inspectors at a cost of Rs; 670/- per mensem, as showen in the annexed proposition statement. The additional amount involved in the new proposal is Rs: 340/- per mensem or 4080/- per annum, but considering the importance of the question involving, as it does, the safety of life and property, I beg to state that the extra expenditure will be justifiable. 5

All possible endeavours will be made to improve the Police service by infusing new blood in filling up the proposed appointments by introducing Law Graduates should the Government be pleased to sanction them. Claims of these deserving young men in the service who have shown a special aptitude for prosecuting cases will also receive due consideration.

In conclusion I may add that most of the District Officers whom I have consulted have fallen in with my views.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police in Mysore.

To,

B.K. Venkatavardaiengar Esqr.
Secretary to the Government of His Highness
the Maharaja of Mysorein the General and Revenue
Departments.

Sir,

Reference:- Your letter No. 1856/J 34 of 1896-97 dated 10th March 1904, calling for certain information regarding Prosecuting Inspectors:-

1. I have the honor to forward herewith a Memo shewing the opinions of all Deputy Commissioners regarding the proposal.

2. It will be seen from this that the majority of them are in favor of the proposed Scheme. Even the Deputy Commissioners of Chitaldrug and Kadur, who advocate the continuance of the District Police Schools, as they now exist , do so-only on the condition that School Inspectors will be available for prosecuting cases and also for relieving Taluk Inspectors on leave etc. At the same time these Deputy Commissioners consider it possible for a Jamedar or a Duffedar to manage the District School in the absence of the Inspector. It comes to this, therefore, that all Deputy Commissioners admit the necessity for a separate prosecuting agency.

3. As regards the practice in the adjoining Presidencies of Bombay and Madras, it appears that, in addition to a Head Quarter Inspector - who is now termed Manager - and a Court Inspector in every District, important Districts are also provided with Prosecuting Inspectors. The proposal submitted by Mr. Madiah is, therefore, in conformity with the practice obtaining in the neighbouring British Presidencies.

4. Mr. Madiah has dealt exhaustively with the question and I have very little to add. I may, however, mention that the -- better prosecution by the Police, of cases in 1st, 2nd and 3rd class Magistrates' Courts is a matter of great importance.

5. Referring to para 2 of your letter concerning the increase in the Police Budget, I have the honor to point out that the -- proposal already submitted, has been made with due regard to -- economy; but a further reduction in the proposed cost can be made by a reclassification of the grades of Prosecuting Inspectors, as noted below, and by doing away with the proposed horse-allowance. I consider that there is no need for these Inspectors to keep horses, and they may be allowed to draw the ordinary Travelling allowances under the Mysore Service Regulations.

Mr. Madiah's proposal.			Modified proposal.		
No of ~~Police~~ Prosecuting Inspectors.	Pay	Total	No of ~~Police~~ Prosecuting Inspectors	Pay	Total.
1	On ₹80 + 15	₹95	1	On ₹80	₹80
2	On ₹75 + 15	₹180	Nil	Nil	Nil
2	On ₹70 + 15	₹170	3	On ₹70	₹210
3	On ₹60 + 15	₹225	4	On ₹60	₹240
8 Inspectors	Total	₹670	8 Inspectors	Total	₹530

6. Further, I think this would be a fitting opportunity to regrade all the

all
~~the~~ Inspectors drawing ₹s80 and under, as it is wholly unnecessary to have a special class consisting of only one Inspector on ₹s75, and another special class on ₹s60. The following table gives the existing and proposed grades

EXISTING.

1st class Inspectors on	₹s80 + 15.
School Inspector on	₹s75 + 15.
2nd class Inspectors on	₹s70 + 15.
Inspectors on	₹s60 + 15.
3rd class Inspectors on	₹s50 + 15.
& 4th class Inspectors on	₹s40 + 15.

PROPOSED

1st class Inspector on	₹s80 + 15.
2nd class Do	₹s70 + 15.
3rd class Do	₹s60 + 15.
4th class Do	₹s50 + 15.
5th class Do	₹s40 + 15.

This regrading will result in a savings of ₹s5 per mensem or ₹s60 per annum, on the pay of the School Inspector.

Thus the modified Scheme ⊗ involves a net increase of only ₹s195 Per mensem or ₹s2,340 per annum as shewn below:- (⊗ of Pro-Scaling Inspectors

Particulars	Amount per mensem	Total.
Cost as per modified proposal	₹s530	₹s530
Deduct (1) Savings by abolishing 6 Inspectors on ₹s40+ 15.	....₹s330	₹s335
(ii) Savings from regrading Inspectors vide para 6.	..... ₹s 5	

Net increase ₹s195 per mensem

7. It will be seen that the proposal involves a very small increase, which can be easily met from the annual savings in the Police Budget which, on an average, amounts to ₹58,756 per annum.

9

8. Appendix I of Government Order No. R. 3894-935 dated 14th April 1903 gives the 1st class Magistrates' Head quarters and Courts, where Prosecuting Inspectors will have to appear to prosecute 1st class cases - A large number of Amildars are now invested with 2nd class powers, and important cases in their Courts will also have to be taken up. There can be little doubt therefore that Prosecuting Inspectors will have quite sufficient work to keep them usefully employed, in all the Districts of the Province.

9. I would suggest the posting of Prosecuting Inspectors to Districts as noted in the margin.

No.	District	Grade.
1	Mysore	1st class Inspector
2	Bangalore	2nd class Do
3	Kolar	Do
4	Tumkur	Do
5	Hassan	3rd class Do
6	Shimoga	Do
7	Chitaldrug	Do
8	Kadur	Do

10. I would strongly recommend the Scheme for the favourable consideration of Government.

A revised proposition statement is appended.

I have the honor to be,

Sir,

Your most obedient servant,

D C Cameron

Inspector General of Police.

M E M O

Opinions of the Deputy Commissioners in re the abolition of the Posts of School Inspectors and the entertainment of Prosecuting Inspectors.

1. Mr: H. Venkata Rao's, Officiating Deputy Commissioner, Shimoga District.

The necessity for maintaining the District Police School no longer exists. At any rate there is no need for a class for station House officers in the local school. A class for the training of --- constables and recruits in drill, discipline and the elementary -- principles of Police Work is all that is required and the Reserve Jamadar or a smart 1st class Daffedar can be put in charge under the personal supervision of the Head Quarter Inspector. The services of the School Inspector may be utilised for the prosecution of heinous cases which, for want of proper prosecution, often fail.

2. Mr: H. H. Sparkes, Deputy Commissioner, Bangalore Distt.

The Proposal may be adopted.

3. Mr: M. Narain Rao's, Deputy Commissioner, Kadur Distt:

The existing school should continue. The School Inspector, as he is, not only looks after the Police school but also attends to the prosecution of cases before Magistrates when the Head Quarter Inspector is otherwise engaged. Further, if an Inspector is granted privilege leave in any Taluk, it sometimes happens that the School Inspector should be deputed to take charge of the Taluk, the school being in the meantime looked after by the Reserve Jamadar in addition to his other work.

4. Mr: H. Ramanuja Iyengar's, Deputy Commissioner Chitaldurg District.

It does not appear advisable to do away with the District ---- Police Schools as now constituted. A separate Prosecuting Inspector should be appointed for the Davangere Range.

5. Mr: M. Kantaraj Urs' Deputy Commissioner Mysore District.

The proposal seems to be a reasonable one. The District Police ---

School

school may be confined to train men up to the grade of Daffedars under a trained Head Constable or Jamadar. The work of prosecution being as important as detection if not more and the Head Quarter Inspector having to attend to multifarious duties, the services of the School Inspector may be utilised for prosecuting cases.

6. Mr: D. Devaraj Urs', Deputy Commissioner, Hassan Distt:

A highly paid officer of the rank of Inspector is not necessary for the District Police School and that a full-timed prosecuting Inspector is not necessary in that District.

7. Mr: K. P. Puttanna Chetty's, Deputy Commissioner, Tumkur District.

There is no School Inspector in the District. The prosecution of cases at District Head Quarters will be attended to by the Head Quarter Inspector aided by the Reserve Jamadar and the Special -- Reserve Inspector.

8. Mr: P. B. Thomas' District Superintendent of Police Kolar Gold Fields.

It is undoubtedly much better that Station House Officers should be trained at a central school, the training of recruit ---- Constables being left to a Drill Instructor and a Head Constable at the District Head Quarters. There is no necessity for the entertainment of prosecuting Inapector for the Taluks of this circle but this most probably does not apply to a great part of the Province.

Letter No. 5058-303, dated the 16th February 1904, from the Inspector General of Police in Mysore, to the Secretary to the Government of Mysore, General and Revenue Department.

With reference to Government Order No. 7395-6—J. 849, dated the 28th December 1897, sanctioning the establishment of the Police Schools in the Districts of Bangalore, Mysore Hassan, Kadur, Shimoga and Chitaldrug, for the retaining of Constables in addition to the Head-quarter Police School at Bangalore for the training of candidates for the grades of Inspectors and Jamadars, and subsequent correspondence ending with my predecessor's letter No. 73, dated 20th October 1901, submitting for the approval of Government a proposal for the abolition of the District Police Schools and the establishment of a central institution at Bangalore, I have the honor to state that in para 3 of the rules about the management of the Police Training School, approved by Government in their Order No. 364-5—J. F. 53 of 1903, dated 11th August 1903, it has been provided that there shall be two classes, one for the training of candidates for the posts of Inspectors and the other for those of the Station-house officers, which expression includes Dafadars or Sergeants, in addition to Jamadars or Head Constables. Moreover in the draft rules about appointments and promotions submitted for the approval of Government in this office letter No. 3017—178, dated 24th November 1903, it has been explicitly stated that no one who has not passed the Station-house officers' test from the Police Training School shall be eligible for promotion to the grades of Jamadars or Head Constables as well as 1st and 2nd grade Dafadars or Sergeants. Hence it follows as a matter of course that the District Police Schools can only train such of the Constables who cannot be trained in the Bangalore Training School either in English or Kanarese, and who, as such, are only fit to receive a series of oral lessons on the elementary principles of Law and Procedure, the practical duties of a Police Constable, etc., and pass a *viva voce* examination corresponding to the Constables' test of the Madras Police. The training of this class of men can therefore be very safely left in the hands of a smart and intelligent Dafadar under the immediate supervision of the Head-quarter Inspector. The tutorial staff may be very easily got up by deputing a 1st class Dafadar on Rs. 16 from the present strength from each district without incurring any additional expenditure.

For the management of the 6 District Police Schools, 2 Inspectors on Rs. 50 plus 15 and 4 on Rs. 40 plus 15 were sanctioned by Government in their Order No. 7395-6—J. 849, dated 28th December 1897, but as the number of Inspectors in the higher grades is disproportionately small, I intend doing away with the appointments of 6 Inspectors on Rs. 40 plus 15 and to utilise the savings of Rs. 330 effected in the Police budget by such an arrangement with an additional sum of Rs. 340 for the entertainment of 8 Prosecuting Inspectors, one for each district as noted in the margin. The new scheme will not be introduced at once but gradually as vacancies occur in the existing staff.

1 on Rs. 80 plus 15=	95	per mensem.
2 on Rs. 75 plus 15=	180	"
2 on Rs. 70 plus 15=	170	"
3 on Rs. 60 plus 15=	225	"
Total (8) Inspectors at a cost of Rs. per mensem.	670	
Deduct savings effected by the abolition of (6) Inspectors on Rs. 40 plus 15...Rs.	330.	
Additional amount now required Rs.	340	per mensem.

It has been brought to the notice of Government on several occasions and reiterated in the Police Administration Reports for the past few years that the absence of a separate and independent agency for prosecution has affected the successful termination of many a good case. The Government were pleased to sanction tentatively the appointment of Prosecuting Inspectors for Chikballapur, Sagar and the Kolar Gold Fields, but the former two appointments were unfortunately abolished after a very short existence. As matters stand at present, the prosecution of cases before the Taluk Magistrate is left entirely in the hands of the Inspector or the Jamadar who may not have taken up the investigation of the case, those going up before the higher Magistrates being left to the Head-quarter Inspector who, on account of the multifarious duties devolving upon him, cannot be expected to do justice to the prosecution work. They are on this account unable to carefully study the cases and cope with the professional lawyers who invariably represent the defence. Further, owing to the constitution of separate divisions in different parts of the districts, it has become physically impossible for a single Head-quarter Inspector to attend the cases that may be taken up by the Divisional Magistrates. Nor can the local Police officers undertake the prosecution work as they generally investigate cases and sometimes cannot be safely entrusted with this work owing to their incapacity.

The organisation of a separate agency for the prosecution of cases will admit of the services of the Head-quarter Inspector being utilized for supervising the work of the District Police office and also for helping the Superintendent or Assistant Superintendent of Police in the detection and investigation of important cases and inspection of stations. The District Police offices are undermanned and are also left without constant supervision and should my

proposal meet with Government approval the Head-quarter Inspectors will be able to devote a portion of their time in this direction. The re-organization of the District and Inspector General's office establishments is engaging my attention and when the scheme is mature, proposals will be submitted to Government.

Under these circumstances, I request you will be good enough to move the Government to accord sanction to my proposal for the abolition of the 6 Inspectors on Rs. 40 plus 15 and the entertainment of 8 Prosecuting Inspectors at a cost of Rs. 670 per mensem, as shown in the annexed proposition statement. The additional amount involved in the new proposal is Rs. 340 per mensem or Rs. 4,080 per annum, but considering the importance of the question involving, as it does, the safety of life and property, I beg to state that the extra expenditure will be justifiable.

All possible endeavours will be made to improve the Police service by infusing new blood in filling up the proposed appointments by introducing Law Graduates, should the Government be pleased to sanction them. Claims of these deserving young men in the service who have shown a special aptitude for prosecuting cases will also receive due consideration.

In conclusion I may add that most of the District officers whom I have consulted have fallen in with my views.

2. Letter No. 141-6, dated the 9th July 1904, from the Inspector General of Police in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

Reference :—Your letter No. 1856—J. 34 of 1896-97, dated 10th March 1904, calling for certain information regarding Prosecuting Inspectors.

1. I have the honor to forward herewith a memo showing the opinions of all Deputy Commissioners regarding the proposal.

2. It will be seen from this that the majority of them are in favor of the proposed scheme. Even the Deputy Commissioners of Chitaldrug and Kadur, who advocate the continuance of the District Police Schools, as they now exist, do so only on the condition that School Inspectors will be available for prosecuting cases and also for relieving Taluk Inspectors on leave, etc. At the same time, these Deputy Commissioners consider it possible for a Jamadar or a Dafadar to manage the District School in the absence of the Inspector. It comes to this, therefore, that all Deputy Commissioners admit the necessity for a separate prosecuting agency.

3 As regards the practice in the adjoining Presidencies of Bombay and Madras, it appears that, in addition to a Head-quarter Inspector who is now termed Manager and a Court Inspector in every district, important districts are also provided with Prosecuting Inspectors. The proposals submitted by Mr. Madiah is, therefore, in conformity with the practice obtaining in the neighbouring British Presidencies.

4. Mr. Madiah has dealt exhaustively with the question and I have very little to add. I may, however, mention that the better prosecution by the Police, of cases in 1st, 2nd and 3rd class Magistrates' Courts is a matter of great importance.

5. Referring to para 2 of your letter concerning the increase in the Police budget, I have the honor to point out that the proposal already submitted has been made with due regard to economy ; but a further reduction in the proposed cost can be made by a reclassification of the grades of Prosecuting Inspectors, as noted below, and by doing away with the proposed *horse allowance*. I consider that there is no need for these Inspectors to keep horses, and they may be allowed to draw the ordinary travelling allowances, under the Mysore Service Regulations :—

Mr. Madiah's proposal			Modified proposal		
No. of Prosecuting Inspectors	Pay on	Total	No. of Prosecuting Inspectors	Pay on	Total
	Rs.	Rs.		Rs	Rs.
1	80+15	95	1	80	80
2	75+15	180	Nil	Nil	Nil
2	70+15	170	3	70	210
3	60+15	225	4	60	240
8 Inspectors	Total ...	Rs. 670	8 Inspectors	Total ...	Rs

Judicial, dated 28th September 1904

6. Further, I think, this would be a fitting opportunity to regrade all Inspectors drawing Rs. 80 and under, as it is wholly unnecessary to have a *special* class consisting of only one Inspector on Rs. 75, and another *special* class on Rs. 60. The following table gives the existing and proposed grades :—

Existing.

	Rs.
1st class Inspectors on	80+15
School Inspectors on	75+15
2nd class Inspectors on	70+15
Inspectors on	60+15
3rd class Inspectors on	50+15
& *4th* class Inspectors on	40+15

Proposed.

	Rs.
1st class Inspector on	80+15
2nd do	70+15
3rd do	60+15
4th do	50+15
5th do	40+15

This regrading will result in a savings of Rs. 5 per mensem or Rs. 60 per annum. on the pay of the School Inspector.

Thus the modified *Scheme involves a net increase of only Rs. 195 for mensem or Rs. 2,340 per annum as shown below :—

Particulars	Amount per mensem	Total
	Rs.	Rs.
Cost as per modified proposal	530	530
Deduct (i) Savings by abolishing 6 Inspectors on Rs. 40+15 ...	330	335
(ii) Savings from regarding Inspectors, *vide* para 6 ...	5	

Net increase Rs. 195 per mensem.

(of Prosecuting Inspectors).

7. It will be seen that the proposal involves a very small increase, which can be easily met from the annual savings in the Police budget which, on an average, amounts to Rs. 58,756 per annum.

8. Appendix I of Government Order No. R. 3894-935, dated 14th April 1903, gives the 1st Class Magistrates' Head-quarters and Courts, where Prosecuting Inspectors will have to appear to prosecute 1st class cases. A large number of Amildars are now invested with 2nd class powers, and important cases in their Courts will also have to be taken up. There can be little doubt therefore that Prosecuting Inspectors will have quite sufficient work to keep them usefully employed, in all the districts of the Province.

9. I would suggest the posting of Prosecuting Inspectors to districts as shown below :—

No.	District	Grade
1	Mysore	1st class Inspector.
2	Bangalore	2nd do
3	Kolar	do
4	Tumkur	do
5	Hassan	3rd do
6	Shimoga	do
7	Chitaldrug	do
8	Kadur	do

10. I would strongly recommend the scheme for the favorable consideration of Government.

A revised proposition statement is appended.

3. Letter No. 1646-62, dated the 2nd August 1904, from the same Officer stating in reply to this office letter No. J. 206, dated the 26th July 1904, that the horse allowance of Rs. 15 allowed to the Head-quarter Police School Inspector, may be discontinued and that the extra expenditure of Rs. 180 required, may be met by setting apart an equivalent sum under the head Executive Rural Police" in the Police budget

No. J. 824-834—POLICE (88 of 03-4-6) DATED BANGALORE, 28TH SEPTEMBER 1904

ORDER THEREON.—The absence of a separate and independent agency for conducting criminal prosecutions before Subordinate Magistrates, is reported to have caused the breakdown of many good criminal cases. The Head-quarter Inspectors on whom devolves this duty, cannot be expected to do it satisfactorily ; partly, on account of their multifarious work, and partly, on account of the constitution of separate divisions with head-quarters in different parts of districts. Nor can the local Police officers undertake this responsible function, as they generally are engaged with the investigation of cases. In order to supply this long-felt want, it is proposed to appoint 8 Prosecuting Inspectors, one for each district. All the Deputy Commissioners, who were consulted, admit the necessity for the entertainment of a separate prosecuting agency.

2. The Government of His Highness the Maharaja concur with the Inspector General of Police and the Deputy Commissioners in their opinion, and accordingly sanction the revised proposals submitted by the Inspector General as shown below :—

(1) the abolition of 6 offices of Police Inspectors on Rs. 40+15 each, (4 in charge of the District Police Schools sanctioned in Government Proceedings No. 7395-6—J. 849, dated the 28th December 1897, and 2 employed in the Taluks on general duty), which leaves the offices of two Inspectors on Rs. 50+15 in charge of the District Police Schools sanctioned in the same Proceedings to be absorbed in the general establishment in filling the place of the 2 Inspectors on general duty on Rs. 40+15 whose place has been abolished ;

(2) the reduction of the pay of the Inspector attached to the Head-quarter Police School from Rs. 75 to 70, his horse allowance being continued as heretofore ;

(3) the classification of all the Police Inspectors on general duty (including the Head-quarter Police School Inspector) drawing Rs. 80 and less, into five grades as shown below :—

	Rs.		No.	Pay per mensem.	Horse allowance.	Total cost per mensem.
1st grade	Inspector on	80+15 (horse allowance) ...	6	480	90	570
2nd	do	70+15 „ ...	9	630	135	765
3rd	do	60+15 „ ...	1	60	15	75
4th	do	50+15 „ ...	16	800	240	1,040
5th	do	40+15 „ ...	37	1,480	555	2,035
		Total ...	69	3,450	1,035	4,485 or

Rs. 53,820 per annum ;

(4) the appointment of eight Prosecuting Inspectors, one on Rs. 80, three on Rs. 70 each, and four on Rs. 60 each.

3. The cost of Rs. 530 involved in these new appointments will be met, partly from the savings effected by the abolition of the appointments of 6 Police Inspectors (Rs. 330) and by the reduction of the salary of the Inspector in charge of the Head-quarter Police Training School (Rs. 5), and partly from the budget provision under the head " Executive Rural Police ", under which large savings are reported to accrue at the close of each year. The Inspector General is requested to submit a reappropriation statement under para 23 of the Financial Rules prescribed in Government Proceedings No. Fl. 1150-1192—18-1901-02, dated the 7th February 1903.

4. Government desire that in nominating the Prosecuting Inspectors men with good physique, possessing the B. L. degree and having experience as Advocates, should, as far as possible, be secured.
